

MENTAL HEALTH INFORMATION AND VERIFICATION FORM

Old Glory Service Dogs 4 Veterans, Inc. provides Service Dogs to First Responders and Veterans with service-connected PTSD, TBI, MST, and/or other mobility disabilities. Critical to our ability to pair a veteran with a Service Dog is the veteran's full participation in our training at our facility. As a team, the veteran, and Service Dog train one and a half hours at our scheduled training and train at home on their own time. Our member must be able to participate and show they are capable with required tasks, interacting with other veterans and staff, learn in a open room setting, and safely handle and care for a Service Dog.

_____ ("Veteran") is applying to be a part of our Service Dog program, including attending OGSD training. So that we may evaluate the Veteran's application, please provide the mental health information and verification requested below.
